

Employee Survey Questions for Hybrid Workplace Platforms

Work Environment Preferences:

- Do you prefer working from home, the office, or a combination of both?
- List the top three factors that influence your preference for working remotely or in the office.

Communication and Collaboration Tools:

- Which communication and collaboration tools do you find most effective for remote work?
- Are there any specific features or functionalities you would like to see in our communication tools to support hybrid work?
- How important is it for you to have access to office amenities (e.g., meeting rooms, printing facilities) on days when you come into the office?

Work Schedule and Hours:

- Would you prefer a fixed schedule for remote and office work, or more flexibility to set your own schedule?

Social Interaction and Team Connection:

- How do you maintain professional and social connections with your coworkers when working remotely?

Personal Well-being and Work-Life Balance:

- How do you maintain a healthy work-life balance when working remotely?

Technology Needs:

- What types of technology or software support would improve your productivity in a hybrid work setting?

Feedback on Past Experiences:

What has been your biggest challenge with hybrid work in the past, and how do you think it could be addressed?

Open-ended Feedback:

Are there any other comments or suggestions you would like to share about improving our hybrid work environment?
